

# Finding Your Ring Size

We are happy to send out a free ring sizer to you upon request. If you would like one, please send us an inquiry (<http://www.lussori.com/Information/GenInfo.aspx>) stating that you would like a ring sizer sent to you, and a ring sizer will be mailed to you within a few days. You can also use the tools on this page to gauge your ring size at home.

► Print this page.

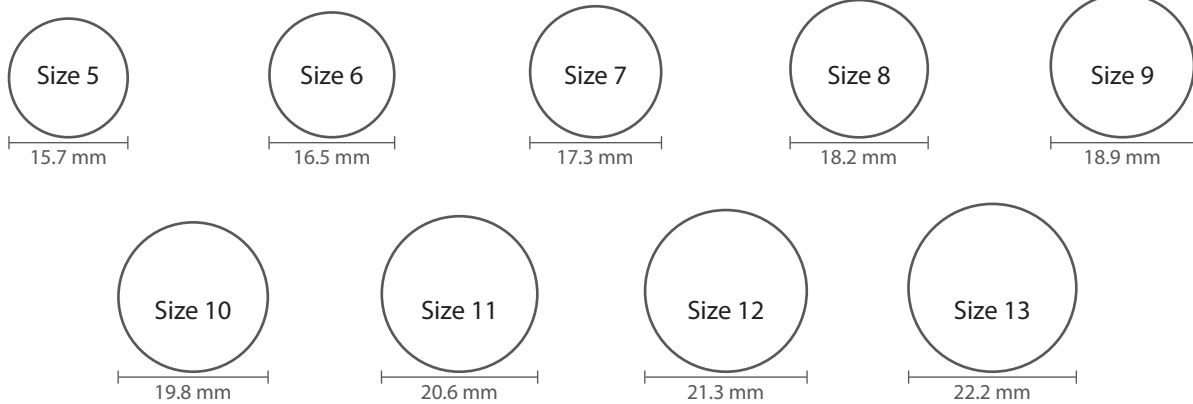

Using your printed page, follow one of the charts below:

## MEASURE A RING

If you have a ring which fits your finger properly, but you do not know the ring size, use the chart below.

Place your ring on the page and find the ring size circle which fits your ring.

If your ring is between two sizes, you will need a half size between the two ring sizes.

## MEASURE YOUR FINGER

To use the length scale, follow these simple steps:

- 1 Use a thin strip of paper or length of non-stretchy string of about 5 inches in length
- 2 Wrap the length of paper or string around your finger where you plan to wear your ring.
- 3 Mark the meeting point on the length of string or paper.
- 4 Compare the length of string or paper to the following chart:
